

Tiffin Right to Life was very pleased to welcome area families and their children to a Celebrate Families event on June 24, 2023 at Tiffin's Hedges Boyer Park. The event was held to commemorate the first anniversary of the Supreme Court Decision that Overturned the 1973 Roe v. Wade Supreme Court

Decision. At last, individual States have the opportunity to provide legal protection for preborn babies in the womb. Life is a gift to be celebrated. Children of all ages were very excited to receive a spectacular face painting from "Ace of Face." The younger children had fun playing with small toys and vehicles in the "corn pool" while others could enjoy corn hole, tug of war, throwing the free give-away mini-frisbees, or throwing water-soaked sponges at each other! Some enjoyed blowing bubbles and coloring. Popcorn and cookies were enjoyed by the children, parents and grandparents. *We thank God for the gift of life and the and fine weather for our day of celebration with area families.*
